# TravelMate

It's portable--and affordable!

## Features

The Amigo TravelMate is a must-have for the active traveler who is always on the go!

The most compact model in the Amigo line, the front drive TravelMate has a tight turning radius for maneuvering small spaces, and weighs a very manageable 53 lbs (24 kg) once the batteries and basket are removed. The TravelMate also folds easily with a simple press of a foot pedal for storage in trunks or compartments. Let us help you get going today!

Spare battery under seat
